Lake Region Takes Part In Farewell Party

Event in Waukegan Sat. Night Honors Nat'l Guard, Selectees

Several from Antioch and surrounding communities will have an active share in a going-away party for the Lake County National Guard and selectees, to be held in the Armory in Waukegan on Saturday evening, December 14, beginning at 8 o'clock. It promises to be a gala event of the season with entertainment, cards, military exhibition and dancing. Music for dancing will be furnished by "Red" Edwards popular eleven piece dance orchestra.

The purpose of the party is to provide a regimental welfare fund for members of the regiment and for the selectees from Lake county who will later join the regiment. Lt. Colonel Joseph A. Teece is the executive officer in charge of the local units for the 129th Infantry U. S. A., and expects to leave with his regiment for a camp in Tennessee about the middle of January.

Mayor Mancel Talcott of Waukegan is acting as general chairman of the committee sponsoring this affair and has enlisted the active support of nearly every mayor and village president in Lake county. The fourteen American Legion posts in the county are backing the party and are co-operating with the committee on the advance distribution and sale of tickets.

Legion Men Co-operate

Tickets are also in the hands of the officers of every city and village in the county. Vernon Rosenthal who is in charge of the distribution and sale of tickets reports that the Commanders of the fourteen Legion posts are co-operating in the advance ticket sale under the leadership of Douglas Getchell of Grayslake. Tickets may also be purchased from the officers and enlisted men in the National Guard. A minimum of 3000 tickets sold is the goal set by the General Committee and every dollar received from the sale of tickets will be turned over to the First National Bank of Waukegan, as trustee of the Welfare Fund, clear of any promotional expense. Dress will be military uniform, formal or informal.

Mrs. George S. McGaughey, president of the Auxiliary of the Honier Dahringer Post American Legion, and Mrs. Noel White of Fox Lake are in charge of the card party for the early part of the evening. Other special features of the program of entertainment have been arranged for by the committee headed by Andy Dicello of North Chicago, who promises plenty of fine musical numbers, tap-dancing and stage performances.

Distinguished Guests

A large number of distinguished guests, prominent in state and military affairs, have been invited. The mayors, village presidents and American Legion commanders of the county will serve with Lieut. Col. Teece as a reception committee.

The government plan is to send all men entering the service by selective draft from Waukegan and Lake county to the Waukegan units of the National Guard unless they specifically request to be sent elsewhere, and under such arrangement not only the National Guard members will benefit, but these funds, but also all men entering the service as draftees. It is expected that more than fifty per cent of the two Waukegan National Guard units will be made up of draftees from Waukegan and Lake county.

The general committee for the party includes:

Chairman, Mancel Talcott, mayor of Waukegan; executive chairman, Bradford F. West.

Ticket committee—Vernon Rosenthal, chairman; Hubert L. Corke, Lieut. Leland W. Butterfield, Lieut. Lyal E. Kelley, Douglas D. Getchell, Charles H. Van Pelt, Charles L. Prizer, William Seymour.

Program committee—Andy Dicello, chairman; L. Eric Carey, A. E. Suter, Capt. L. D. Powles of Antioch, Lieut. Col. Joseph A. Teece, Charles T. Roos, John H. Hancock.

Publicity committee—L. J. Wilmot, chairman; G. Robert Gallaway.

Speaker's committee—Arthur C. Fuller.

On the reception committee from Antioch are: George B. Bartlett, J. H. Messing, Capt. L. D. Powles.

From Libertyville—A. E. Suter, Ray Kennedy, Wm. Nicolay.

Wauconda—Dr. J. A. Ross.

Lake Zurich, Wm. A. White.

Mundelein—Robert Rouse, Dwight Dolph.

Grayslake—A. A. McMillen, Charles Kuehler, Joseph Sikes.

Round Lake—Ed. Brown, Henry Houseman.

PEN-PENCIL OFFER ENDS DECEMBER 24

The Antioch News' popular free gift offer of a pen and pencil set with each year's subscription paid during the period starting November 28 will positively close on December 24.

Many subscribers have asked for the sets, feeling that they are entitled to them by reason of payment made prior to the announcement of the offer. Compliance with such requests would be a discrimination against those who pay subscriptions during the life of the gift offer. Many thousands of subscriptions have been paid to the Antioch News in the past, and to give all of them the free gifts would bankrupt a firm much more prosperous than the Antioch News. To pursue such a course would defeat the primary purpose of the plan which was to obtain needed cash and to bring the subscription list up to date.

Persons whose subscriptions are already paid to date, or are in advance, may obtain one or more of the free sets by the simple procedure of paying one or more year's additional subscription. The payment of new or renewal gift subscriptions for others also entitles the payer to the gift premium. Checks and subscription orders may be sent by mail. No mail orders postmarked later than Dec. 24 will be eligible for the premium.

All offers must begin and end at definite dates. This one must end Dec. 24. The News feels that all readers have been given ample opportunity to take advantage of the gift offer within the dates specified, and so, in accordance with our contract with the manufacturers the offer must close Dec. 24.

The News appreciates the co-operation it has received from readers and has been happy indeed to be in position to reward loyal subscribers with the gifts.

George Bassett, of Kenosha Co. Pioneer Family, Dies Here

George Bassett, member of the Kenosha county pioneer family for which the village of Bassett, Wis., was named, was laid to rest in Mount Prairie cemetery near Genoa City, Tuesday afternoon following services in Strang's funeral home here. He was 72 years of age. The Rev. W. C. Henslee officiated at the service.

Bassett, who had been in poor health for some time, was a retired post master. He had made his home in Antioch for the past several years.

His wife, Rose, and adopted son, Norman, both of Antioch, survive him. He is also survived by a sister, of Peoria.

He was a son of the late Mr. and Mrs. Reuben Bassett of Kenosha county.

Village Assumes Holiday Aspect

Antioch took on a real "Christmas" look this week, what with strings of colored lights decorating the main business section, lighted evergreen trees in the village park, fascinating window displays, including winter sport and Christmas scenes, in store windows, and with a new fall of snow to set it all off.

A loud speaker hook-up for the broadcasting of Christmas carols was completed Wednesday, and today the sound of Christmas music at 15-minute intervals added to the holiday atmosphere.

Attractive gift displays in the stores are drawing their quota of shoppers. Many of the stores have unusually pretty interior decorations this year, in addition to those in the show windows.

Climaxing holiday events in the village will be the annual children's Christmas party, with genial James Stearns as "Santa."

Recreation Department Asks Gifts of Used Toys

Donations of used toys that can be repaired or re-decorated and given at Christmas time to children of deserving families have been requested by the Antioch recreation department.

The work of repairing the toys will be done by children of the sixth, seventh and eighth grades at Antioch Grade school, Edwin Kapsa, recreation director, announces.

Circle to Meet

Friendship Circle will meet Monday evening, Dec. 16, in the home of the Rev. and Mrs. W. C. Henslee.

"Open House" in "R & J" Garage Proves Success

Housewarming Dance Sponsored by Firemen Is Attended by 400

Gaily decorated with streamers in holiday colors, the interior of the new R. & J. formerly the R. & H. Chevrolet garage, made a festive setting for the "open house" and dancing party held Wednesday evening under the auspices of the Antioch Fire department. The members of the department were present in dress uniform.

More than 400 persons "dropped in" during the evening to admire the new building and to join in the fun at the party.

Dancing, to music by an orchestra under the direction of Hans von Holwede was a major feature.

Hamburger booths and other refreshment stands had been set up, and various types of incidental entertainment were available.

Have Christmas Tree

A large Christmas tree in the center of the dance floor added to the attractiveness of the scene.

Assisting Fire Chief James Stearns, who was general chairman, was a large committee of department members including Cleve Vos, John Moran, W. I. Scott, James McMillen, Einar Petersen and Ed Simonsen.

While a final check had not been made before noon today, members of the committee stated that the party proceeds will supply a sum probably in the neighborhood of \$200 for the purchase of winter equipment.

The committee members and the department in general have expressed thanks to the Chevrolet service of Antioch for its courtesy in giving the use of the garage for the "house warming," and to numerous individuals and business concerns of the community for their co-operation in making the affair a success.

To Be in New Place Dec. 21
Those attending the party complimented Elmer Reintner and Norman Jedele highly upon the attractive appearance of the new garage, which is located on Main street just north of the village hall. Its many up-to-date features were observed with much interest.

The company, which now has its offices located temporarily in the rear of the Snow White ice cream parlor, expects to occupy its new quarters by Dec. 21.

"Efficiency" Is Watchword

Characteristic of the speed and efficiency with which the Antioch fire department works was the manner in which it carried out its preparations for the dance.

Assembling for their regular meeting Tuesday evening in the fire station, the firemen conducted their business period; disposed of all affairs, including the payment of bills and other routine matters, within a period of 14 minutes. Adjourning to the new garage, the 25 men present "cleaned up" all debris left on the departure of the carpenters, painters and decorators, and reported back to the station within a short time for a lunch of sauerkraut and wieners and coffee prepared by the refreshment committee.

Decorating was completed during a short period late Wednesday afternoon—and all was in readiness for a party that went off smoothly and enjoyably from start to finish.

GIRL SCOUTS ELECT OFFICERS FOR 1941

Miss Dorothy Aronson was re-elected president of the local Girl Scout troop at a meeting held last Saturday at the Methodist church. Other officers elected for the coming year were: Mabel Lou Hunter, vice pres.; Joan Felter, secretary-treasurer; Vida Haley and Jane Nelson, recreation chairmen.

The meeting was also the occasion the celebration of the birthday of Dolores Story, a member of the local Scouts.

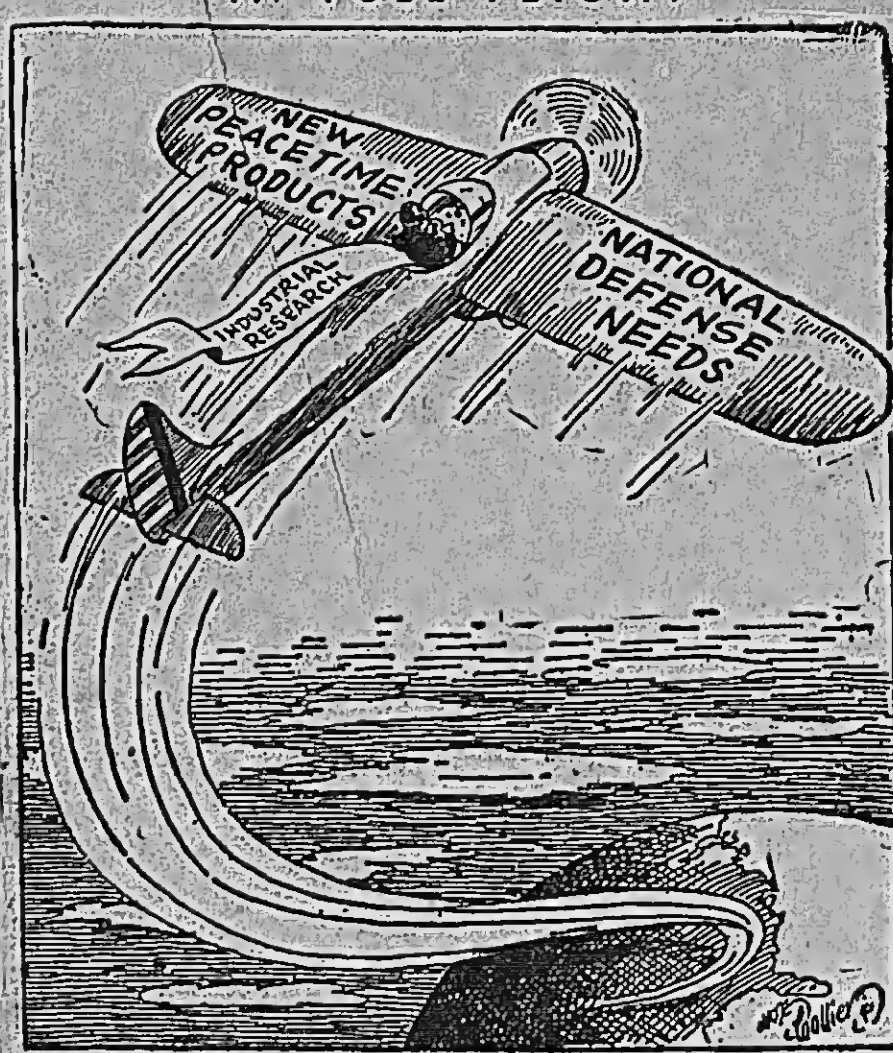

Those attending were: Dorothy Aronson, Jane Nelson, Joan Felter, Nancy Ellis, Mabel Norman, Jean and Shirley Vos, Mabel Lou Hunter, Vida Haley, Rosemary Morley, June Spangard, Dolores Story, Olga Himens, Barbara Horton, Mrs. Story and Mrs. Opal Gerl.

Antioch High Shares Basketball Leadership

The three-way tie for leadership in Northwest conference basketball, which Antioch Township High school shares with Palatine and Wauconda, will be broken one way or the other when the Sequoias play against Wauconda Friday evening, there.

So far, Antioch High has defeated Elia, of Lake Zurich, and Grant, of Fox Lake.

Home Economics Courses Lead To Varied Careers

Among the 634 young women training in professional home economics at the University of Illinois are eleven students from Lake county. They are Blume, Doris Evelyn, Libertyville, sophomore.

Brown, Mary Meinert, Waukegan, senior.

Butler, Margaret Eileen, Waukegan, sophomore.

Edwards, Harriet Jane, Waukegan, senior.

Edwards, Pearl Irene, Antioch, sophomore.

Finkecker, Betty Jean, Highland Park, freshman.

Enloe, Virginia Jeanne, Zion, freshman.

Kane, Marjorie Ethel, Mundelein, junior.

Kane, Sarah Caroline, Mundelein, senior.

McCreight, Gladys A., Zion, junior.

Pearce, Alice Ruth, Zion, freshman.

The home economics group is considered one of the dominant professional units in the university student body of more than 12,000.

Of the many opportunities open to the trained home economist, high school teaching of home economics continues to be the most popular, according to Miss Lita Bane, head of the department of home economics. However, the commercial field is making an increased demand for graduates who can enter their work as demonstrators, laboratory research workers or sales persons.

Mrs. Tembrogan Dies In Waukegan at Age of 79

Funeral services for Mrs. Lillian Tembrogan, 79, were held in Strang's funeral home, Wednesday afternoon at 2 o'clock. Interment was in Union cemetery near Hickory Corners.

Mrs. Tembrogan, who was the daughter of the late Mr. and Mrs. Andrew Coon, early settlers in the Hickory Corners region, died in the Lake County hospital Sunday morning.

She is survived by her husband, Herman Tembrogan, and a daughter, Mrs. John King of Waukegan.

Death Takes Mrs. Rogers, Born in Antioch in 1868

Sudden death stopped Thanksgiving festivities at the home of Mr. and Mrs. C. R. Rogers of Dolliver, Iowa, when Mrs. W. R. Rogers, aunt of the Moons died of a severe heart attack shortly after arriving at the Moon home, Nov. 28, 1940.

Mrs. Rogers was well known here in Antioch. She was the daughter of David and Eunice Bates and was born here January 26, 1868 on Main street in a house located where the oil station formerly operated by George Bartlett now stands. She was married to W. R. Rogers on April 19, 1885.

Besides her husband she leaves a son, Raymond of Rolfe, Iowa, and a daughter, Cora Klein of Humboldt, Ia.

Mrs. Anna Kelly and Ruth Ferris visited them last September in their home in Rolfe, Iowa. Mrs. Rogers and Mrs. Kelly were old schoolmates attending the old grade school here in the village.

Words Are Tools Speaker Tells Lions at Dinner Meeting

Bill Fogarty, Ins. Executive, Gives Talk; Lions Discuss Winter Sports

The use of the right word at the right time many times means the success or failure of your undertaking, members of the Antioch Lions club and their guests were told by Bill Fogarty, speaker at the dinner meeting held Monday night at Bob Hardman's resort.

Fogarty, an insurance executive and a recognized authority on forceful and effective English, held the closest attention of his hearers for nearly an hour while he spoke on the subject "Words as Working Tools." His talk dealt almost entirely with diction—choice of words, rather than with rhetorical or grammatical features of the language. By the use of charts and humorous anecdotes the speaker drove home in an effective manner the use of words as related to successful salesmanship and as a means of self-expression.

Not Understood — Martyred

Differentiating between the phrases "to misunderstand" and "not to understand," the speaker pointed out that two of the world's greatest characters had been martyred because they had not been understood—Jesus Christ and the Greek philosopher Socrates.

While Fogarty's address was directed chiefly to the laymen, he has lectured on this subject before a score of colleges and universities. His talk here was entertaining, instructive and masterful. Many favorable comments were heard following the address, among them, one by Bob Hardman, who "allowed" that Bill Fogarty "had something on the ball."

Discuss Winter Sports

Following the fine venison dinner served by the Hardmans, and the address by Bill Fogarty, the club discussed the proposed promotion of winter sports. Just what part the club will have in this year's effort was left undecided and will come before the board of directors, probably tomorrow. Legal advice will be sought as to the extent of the club's liability in possible cases of personal injuries of those who will use the toboggan slide or other equipment provided for public use.

Guard Against "Injury Racket"

While there are many public spirited citizens who are willing and even anxious to have a part in promotion of all forms of recreational facilities, it was pointed out that cognizance must be taken of the "personal injury" racket which has grown to vast proportions in this country. There are many legitimate cases of damage or injury, but it must be remembered that there are unscrupulous persons who set out with the express purpose of becoming injured (but not too seriously) and then collecting through judgments against innocent parties.

Private enterprises for the promotion of winter sports in the area have proven popular and remunerative to the promoters in recent years, and it is indicated that the growing interest will not be allowed to lag in Antioch community.

Zion to Have Carol Singers at Christmas

A large number of Carol Singing groups have registered for the Christmas Carol singing to be conducted on the streets of Zion on Saturday, Dec. 21, Monday, Dec. 23 and Christmas eve, Dec. 24. On Christmas Eve all the groups will gather about the beautiful Municipal Christmas tree for a Community sing. At this time the mayor of Zion will address the citizens of Zion in a word of Christmas greeting.

The various Carol Singing groups will be seen and heard in all parts of the business district. This unique plan was instituted two years ago with much success and folks from the surrounding communities came in large numbers to hear the carolers strolling in the streets singing beautiful Christmas carols.

This event is sponsored by the Zion Chamber of Commerce with Fred Faassen in charge. Any group wishing to participate in this event may get the particulars from Fred Faassen by calling Zion 622. All communities on the North Shore are welcome.

Many cities have loud speaker arrangements for Christmas music but the carolling minstrels strolling through the streets add a personal touch which no machine can reproduce. All folks taking part enjoy this event and after they have finished singing refreshments will be served to all taking part in local restaurants.

The singing will be heard on the above dates between the hours of 7 p. m. and 9 p. m.

CHRISTMAS SEALS

The part that the Christmas Seal with its double-barred cross plays in carrying on the Crusade against tuberculosis is very interesting. The Christmas Seal is not so very old. A man in Denmark first thought of it. Elvar Holboell, and he worked in a post office. One day he asked himself, "Why wouldn't it be a good idea to raise money to care for sick children by selling people seals to decorate their Christmas letters and packages?" The more he thought of it, the more enthusiastic he became. The royal family of Denmark became interested and the money was found to print the seals. They sold so rapidly that soon there was money enough to build a children's hospital and the lives of many little ones were saved. But while the King of Denmark and his family provided money for printing and advertising the sale by sponsoring it, the interesting point is that the idea came from a man of the people who have little money but great sympathy for the sick and helpless. In a very real sense the Christmas Seal was born among the not-so-wealthy classes, and has been supported by them ever since.

Help to Protect Your Home from Tuberculosis

Then it came to America. A Jacob Riis, a great American who had come as a poor emigrant boy from Denmark, received one of these Christmas Seals on a letter from his old home. At once he wrote to find out about it, because he was that sort of man. When he secured his information, he thought the idea was a good one from America, too, so he wrote an article about it for a popular magazine. And down in Wilmington, Delaware, a woman who wanted desperately to aid a tuberculosis pavilion for some sick children whom she loved, read the article and decided to try the Christmas Seal idea. Her name was Emily P. Bissell.

In America there was no royal family to whom to

turn. Miss Bissell took her idea to a newspaper. The editor was not interested at first, but a reporter, Leigh M. Hodges, who knew the ways of the people who make up the nation, was so enthusiastic that he soon won over the editor. "Tell Miss Bissell the North America is hers for the holidays. Give her all the time you can spare and take all the space you need," ordered the chief. When one day a little newsboy came into his office with a penny for a seal and said, "Gimme one. Me sister's got it," Mr. Hodges knew that the Christmas Seal was certain to succeed.

That was the beginning in America in 1907. That his idea, sprung from the people, is nourished by the people, is shown by the size of the sales and the number of contributors.

The first Seals ever sold in Illinois were printed by the Lake County Tuberculosis Institute. They were all in one color, bore the words, "Lake County Tuberculosis Institute," and had on them the double-barred cross. The first Seal Sale netted a total of \$600.

In 1920 the Lake County Tuberculosis Institute was reorganized under the name of the Lake County Tuberculosis Association, and since that time in 1929, 1930, 1931, 1932, and 1933 received a silver loving-cup for the gross Seal Sale in the state of Illinois, outside of Cook County. These cups were won with amounts of from \$5,068.50 to \$8,160.59.

The last four years the Association has been only able to reach third place in total sales in Illinois, outside of Cook County. This has been due to strong associations in DuPage county and Winnebago county. Winnebago was first, DuPage second with an amount slightly over \$10,000. Lake county came in third with \$9,471.14.

For the 1940 Christmas Seal Sale, the Lake County Tuberculosis Association has mailed 18,120 regular letters with two to five sheets of Christmas Seals. Quietly in the mail every year to thousands of families in Lake County go thousands of letters containing these Seals. No oratory is needed to stir the people. If they want to buy all of the Seals, or part of them, or if they wish to give a larger contribution than the amount of Seals in the letters, they may send the money into Seal Sale Headquarters in the Court House, Waukegan. Some Headquarters in the Court House, Waukegan. Some cannot afford to keep the Seals, others knowing this to loss.

This year, also, the Association mailed 1,080 letters with special pleas for a larger contribution than the regular letter. Some of the letters contained Christmas Seal Sale Health Bonds from \$5 to \$100, from which the Association has had a very generous response in the first three days of the Sale.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL Lesson

JESUS TEACHES HIS DISCIPLES TO PRAY

LESSON TEXT—Luke 11:1-13.
GOLDEN TEXT—Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you.—Luke 11:9.

Teach us to pray!
The request of the apostles was not that He should teach them how to pray, for He had already done that (see Matt. 6:5-7) in the Sermon on the Mount. What they needed, and what we need, is not so much to learn how to pray, but actually to pray. Prayer is more talked about than practiced. We discuss the doctrine of prayer, the time of prayer, the manner of prayer, posture in prayer; but how much do we really pray?

This is a very important and plain question which we must face personally. "Do I pray, or do I only talk about praying?" Let us not try to dodge it or excuse ourselves; let us face it honestly, do something about it, and know God's richer and fuller blessing for our lives.

We have in our lesson,

I. A Principle of Prayer (v. 0).

The one who has a right to call God his "Father" (v. 2) has a right to come and "ask" God for whatever he needs. God expects His children to ask, and many "have not, because ye ask not" (James 4:2). Give God a chance to answer you by asking, but be sure to ask aright, not for your own selfish purposes (James 4:3). The real asker is also a seeker—he doesn't ask and run away empty-handed—he persists. He not only "seeks," but he "knocks" at God's door. A knock is an evidence of faith—expectancy, and often persistence—all essential in real prayer.

II. The Promise of Prayer (vv. 9-13).

Here is the promise of our Lord. We are quick to claim the promises of our friends, business associates, the government; why are we so slow in claiming the promises of God? Can it be that we have less confidence in Him than we have in our neighbors? Asking means receiving, seeking results in finding, knocking brings the open door of His blessing. Why not do it?

God is our Father. Even a man rightly bearing the beautiful title "father" is loving and considerate. Will not the heavenly Father then give us every good thing? In fact, the Holy Spirit Himself is ours in all His fullness, and in Him there is every other gift.

III. A Parable Concerning Prayer (vv. 5-8).

The point of this story is that we should be persistent in prayer. Importunity carries with it a sense of being troublesome, bothering someone until the desired result is attained. God encourages His children to a holy boldness which does not give up (see Luke 18:1-8; Matt. 18:21-28). If a man who is only a friend will at the impossible hour of midnight supply a need which should have been anticipated to feed one who is a stranger to him, will not our Father, who "neither slumbers nor sleeps," who knows and loves us all, meet our deep spiritual need? Indeed He will, "exceeding abundantly above all that we ask or think" (Eph. 3:20).

IV. The Practice of Prayer (vv. 1-4).

There is no one who can teach us to pray better than Jesus, for He "practiced what He preached." He prayed. It was seeing Him pray that led the disciples to ask Him to teach them to pray. To profess is one thing, but it is far better to practice. The teacher who does not practice prayer will accomplish little in teaching this lesson, but the one who prays, though able to say but little, will cause many to say, "Teach me to pray."

For the practice of prayer, Jesus taught His disciples a model prayer. This does not mean that this is the only prayer to be offered, nor that it is the only form of prayer. As suggested, it is rather a model.

This prayer opens with a recognition of God as Father, followed by a reverent petition that His name may be hallowed; that is, that He may have glory as His will is done and His kingdom established in the hearts of men. Those who have that spiritual life and attitude are ready to ask for the supply of daily needs, and above all forgiveness of sin and deliverance from temptation. Note that verse 4 is not the prayer of the unsaved, for forgiveness and regeneration, for that is all of grace (Eph. 2:8). "The man outside (of the kingdom) gets his forgiveness with no condition; but once he is in the kingdom of the Son of God's love, he lives within the laws of that kingdom. Then he does not get forgiveness unless he is ready to forgive, unless he has forgiven" (Morgan).

"Nothing more surely destroys communion than the unforgiving spirit" (Matt. 6:14, 15; Mark 11:25). This is the condition of our forgiveness (Eph. 1:7).

That we forgive others is not a condition on which God forgives us. The condition of our forgiveness (Eph. 1:7).

Some folks still can't believe their eyes

GOING over Buick dealers' reports on our 1941 models, we find an unusual thing happening.

Time and again cars come in for the usual inspections with an extra note of instructions—"Please check the gas gauge needle."

Even after hundreds of miles, people mistrust their eyes when they see its snail-like pace from the Full mark toward Empty—they don't see how it's possible for a car as big as Buick to go so far on so little.

But it does—and for good reasons.

The whole FIREBALL engine was designed and built to get the most good out of modern gasolines.

And the simple secret of Compound Carburetion is that it keeps your engine running on its most frugal diet for all normal driving—and provides full feed only when you need, want and call for the lift of extra wallop.

Meantime even the gears are helping save money—for the regular high gear in a Buick gives you the economy of the so-called "gas-saving" top speeds you hear about.

The big thing is, of course, that this is no

small car that's setting these economy figures. There are all the room, size, impressiveness, comfort and downright thrilling performance you expect from a Buick.

So it isn't because the needle's out of kilter that it goes down so slowly. It's simply because it's in a FIREBALL Buick.

BUICK PRICES BEGIN AT \$935

Royal Neighbors Elect Mrs. Nelson Oracle for 1941

The Royal Neighbors of Olson Camp 459, elected Georgia Nelson as Oracle for 1941 at a meeting held Tuesday evening in the I. O. O. F. hall.

She will succeed Eleanor Edgar, who will now hold the honorary chair of Past Oracle. Myrtle Hufendick is vice oracle.

Other officers include Mmes.: Julia Rosenfeldt, recorder; Leota Teichert, receiver; Sine Laurson, chancellor; Alma Harden, marshal; Helen Burnett, inner sentinel; Evelyn Pallaske, outer sentinel; Rebecca McGreal, Manager.

Dr. Berke is physician. Appointive officers will be announced by the new oracle at a later meeting. Installation will take place the latter part of January.

A Christmas party for juveniles will be held Monday afternoon, Dec. 23, at 2:00 o'clock under the charge of Juvenile Director Leota Teichert. Refreshments will be furnished by the mothers. Presents will be awarded by the camp and "Santa Claus" will be present.

The next meeting of Olson Camp will be Monday, Dec. 23, at 8:00 o'clock. A Christmas party will follow the meeting. All members are being requested to bring a 5c gift for a gift exchange at that time. A pot luck lunch will be enjoyed.

Twenty-eight were present at the election meeting which was followed with the serving of refreshments by Mrs. Alma Harden and Mrs. Betty Mortensen. A pleasant surprise was the presence of Neighbor Roberts, and the camp also cordially welcomed Mrs. Mau, who is now a member of Olson Camp by transfer.

Federated Christian Youth to Hold Christmas Party

The Lake County Federated Christian Youth will hold their annual Christmas party on Tuesday evening, Dec. 17, at 8 p. m. at the Libertyville Methodist church. Santa Claus will be there so everyone is asked to bring a 10c gift.

The committee in charge of recreation is headed by Jack Downs, assisted by Lois Johnson and Chesney Brooks. The refreshment committee consists of Melva Hubbard and Kathleen Hubbard.

SEE NEW MEXICAN PRESIDENT INAUGURATED

Mr. and Mrs. C. K. Anderson write from Mexico, where they have been vacationing.

CHRISTIAN SCIENCE CHURCHES

"God the Only Cause and Creator" was the subject of the Lesson-Sermon in all Churches of Christ. Scientist, on Sunday, December 8.

The Golden Text was, "Every house is builded by some man; but he that built all things is God" (Hebrews 3:4).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Many, O Lord my God, are thy wonderful works which thou hast done, and thy thoughts which are to us-ward: they cannot be reckoned up in order unto thee; if I would declare and speak of them, they are more than can be numbered" (Psalms 40:5).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "There is but one creator and one creation. This creation consists of the infinitude of spiritual ideas and their idealities, which are embraced in the Infinite Mind and forever rectified. These ideas range from the infinitesimal to infinity, and the highest ideas are the sons and daughters of God" (p. 602).

Record Crowd Hears Scout Program at P.T.A. Meeting Monday Evening

A record crowd of 57 parents and teachers and 30 school children heard a fine program by school children, Boy Scouts and Girl Scouts and 4-H club girls at the Parent-Teacher meeting Monday night at the grade school. The seventh grade won the room award with 14 parents present.

The pledge of allegiance to the flag was led by the Boy Scouts, and the seventh and eighth grade girls started the program with the singing of Christmas carols. There were solos by Mabel Lou Hunter—"It Came Upon a Midnight Clear"; Joan Felter—"Hark the Herald Angels Sing"; Vida Haley—"Oh, Little Town of Bethlehem"; Laura Jean Sobey—"We Three Kings of the Orient Are"; June Spangard—"Luther's Cradle Hymn"; Gertrude Hawkins—"Silent Night"; Gilda Pierce of the Antioch High School—"Cantique de Noel."

With May Setek and Dorothy Aronson as cooks, the 4-H club girls demonstrated a snow ball salad.

The Boy Scouts under the direction of Edwin Kapsa, Scout leader, now numbers 13 members. The Scouts gave the following interesting demonstrations: Sammy Klass and Howard Nevitt gave the Scout motto, laws and promise; Wesley Reeves, the Scout salute and hand clasp; Leonard Roblin and Don Bauer, talked on the use of the Scout knife and hatchet; Dudley Ward talked of Scout service; Glen Childers demonstrated knot-tying; Ralph Trieger told of three ways to start a fire; and Donald Heath and Stuart Goode talked about tracking.

The Girl Scouts, whose leader is Mrs. Harold Ellis, were presented in a program led by Patrol Leader Dorothy Aronson.

Virginia Gaa and Dolores Storey gave the tenderfoot requirements; Joan Felter—history of Girl Scouts; Vida Haley—History of American Flag and instructions for its use in display; Mabel Lou Hunter told how the Scouts financed their troop through the sale of cookies, booths at the Lions festival and Antioch fair, and an ice cream social held at the home of Jane Nelson. Barbara Heiber explained the work she was doing to earn her reader's badge, and Jane Nelson told what she was going to merit her first-class badge.

Following the program refreshments of cake and coffee were served by the committee of which Mrs. Osmond was chairman.

There will be no P. T. A. card party in December, but plans to sponsor a picture show in January were announced and the following committee was appointed: Mrs. Lester Nelson, Mrs. J. B. Field, and Mrs. Joseph Patrovsky.

Yule Lighting Effects Indoors Can Be Novel

No End of Unique Effects Can Be Created to Give Indoor Christmas Lighting Individuality. All It Takes Is a Little Dreaming and Originality. Above Are Two Suggestions. Each Is More Fully Described Below.

By Jean Prentice

Many folks wrote me last year for recipes on how to create new and "different" Christmas lighting decorations for the living room. Apparently these enterprising women have tired of the conventional tree and the wreath encircling a red bulb at the window. This year, fortunately, numerous novelties using lights are on the market. But if a shopping tour doesn't quite "ring the bell" for the decorations you have in mind, perhaps the two effects shown above will do. At

least, they may give birth to a better idea of your own.

A simple yet effective treatment for the mantel may be made by surrounding the base of a standard candelier with holly or pine. In this instance, instead of ordinary Christmas tree lights, candlelike amber-tinted lamps, referred to as "T-3/4" by dealers, were used. The miniature trees at each end of the mantel consist of two planes cut from heavy white cardboard. The silhouette effect is obtained by burning colored C-7/8 lamps in the manner as shown in the above sketch. The explosive lighting effect shown

in the other display back of the radio was achieved like this. The bowl of pine branches was made to "spill" backward toward the wall. Bright light from clear-glass T-3/4 Christmas lamps, either bunched in the bowl or concealed from view behind the bowl, created the lovely shadow patterns pictured. The shadows may be tinted by adding one or more larger lamps of contrasting color.

Try one or both of these decorative stunts and I'm sure the returns in enjoyment will repay your efforts many times over.

WEEKLY NEWS ANALYSIS

Italian Army's Chief of Staff Resigns As Greeks Drive Further Into Albania; Nazi Pour Into Rumania Amid Chaos; U. S. Aid Held Vital to British Victory

(EDITOR'S NOTE—When opinions are expressed in these columns, they are those of the news analyst and not necessarily of this newspaper.)
(Released by Western Newspaper Union)

DUCE'S GAMBLE: Stakes Are Raised

In Athens, wives of the German legion staff are knitting for Greek soldiers fighting Italy. Berlin's Axis partner. There were other indications Germany was in no hurry to come to Mussolini's rescue in Albania. It was said Hitler had advised against the campaign and since the Duce had gone ahead anyway, he should be given time to consider the consequences of effort to the leader. Mussolini apparently was doing penitence. Already he had relieved one commander in the field, another at home and ordered more Fascist legions committed to the Balkan campaign.

There were other, more practical reasons, why his drive first bogged down and then turned into retreat. These were: British aid in the air and sea, which made hazardous his lines of communication; unwise anticipation of mechanized units in mountain regions; insufficient use of the Italian air corps; Greek strategic ability which made the most of Italian losses.

"Resignation" of Marshal Pietro Badoglio as chief of the Italian general staff was also announced officially in Rome. This fact gave some indication of the tough going of Mussolini's plans for a "quickie" war in Greece. Badoglio was re-

placed by Gen. Ugo Cavallero, until recently commander of the Italian forces in East Africa. Italy's most famous soldier, Badoglio had been chief of staff for 15 years and had been in supreme command of all three branches of the fight forces of Italy.

BENITO MUSSOLINI
Is he doing penitence?

The Mediterranean

The first major encounter of the British and Italian navies was off Sardinia. British planes sighted tiny spots in the ocean, identified as Italian warships. They radioed the word back to the fleet and the British, led by the battleship Renown, went into action. Planes joined the melee. The Italians finally threw up a smoke screen and got back under the protection of shore batteries. There were conflicting claims, but the British declaration that its navy controlled the Mediterranean seemed to hold weight.

The British told a story: "The American navy," it said, "prefers whiskey, the British navy rum. But the Italian navy sticks to port."

ENGLAND'S CRISIS: Food and Planes

More and more it became apparent that the weeks just ahead may decide the ultimate victory for Adolf Hitler. That he is well aware of this is seen in the intense bombings being administered to British industrial areas.

Supplies is the key, and Hitler hopes to so cripple British production that the anticipated spring drive will be made easier. Certain it is that he is obtaining some results, although British censorship has hidden the extent of the industrial damage in Coventry, Birmingham, Bristol and Liverpool.

On the other hand, Arthur Greenwood, minister of production, admitted losses when speaking to Commons. Also an increase in U-boat activity was admitted to threaten sea traffic, upon which Britain must rely for the major share of its foodstuffs. Stricter rationing was de-

The Way Ahead

Eyes of all were on the rate of production of planes and munitions in the United States. Here may be the final test, if the British can hold out to mid-summer. American planes sent to Britain in October numbered 231. Scheduled for November were 390. For January the figure is 350, and 400 by April, to be increased to 900 by January, 1942. Also by that time it is considered a fair estimate that the U. S. will have 50,000 planes of its own. But an "all-out speed-up" would even revise these figures upward.

RUMANIA:

Death and Terror

In 1923 a Polish mystic in Rumania formed a fascist, anti-Semitic movement under the name of League of the Archangel Michael, later to become the Iron Guard. His followers wore green shirts. At the same time in Germany an Austrian beer hall orator launched a similar campaign known as National Socialism. His followers wore brown shirts.

In 1938, the Iron Guard, admirers of their German counterpart and allegedly financed by them, were outlawed by King Carol following a long list of bombings and outrages. Corneliu Zelea Codreanu, the Guard leader, was imprisoned. Later it was announced he had been shot dead while trying to escape.

Three months ago German pressure pushed Carol from his throne and put the Iron Guard in control. But the green-shirted legions yearned for revenge. They attained that revenge when a band of several hundred forced their way into a fortress prison, took from cells 69 anti-guardist leaders and executed them. Included was Gen. George Argesuto, premier at the time of Codreanu's death.

Civil War

The Bucharest government of Premier Gen. Ion Antonescu quickly expressed disapproval in the name of party discipline. The premier is titular head of the Iron Guard. Even with strict censorship it was learned that there had been wholesale resignations of army officers in protest. But the assassinations continued and units of the

army and Iron Guard clashed. Later 30 of the Iron Guardists were reported "suicides."

Hitler had little to lose in the quarrel. Both the army and Iron Guard are pro-Nazi, the army however not approving of anti-Semitism. Amid the internal chaos, trainloads of German troops poured into Rumania to "keep order." Germany badly needs Rumanian oil and wheat, and the Rumanian mountain passes lie across the path of the Nazi push to the east. Hitler was easing his route while the Rumanians quarreled.

Envoy—Japan named as its ambassador to the United States, Admiral Kichisaburo Nomura, 62, who in 1890 was graduated by the Naval Academy at Annapolis. Known for his pro-American tendencies the appointment was looked upon as a Japanese move to heal present strained relations. During the World War, Admiral Nomura served in Washington as naval attaché.

Career—Tom Harmon, 1940's football sensation, revealed his secret career ambition. Speaking on a radio program which picked him as an all-American halfback, he said he wouldn't seek a job as a gridiron coach. Instead he wants to become a sports radio announcer. The sports radio announcer conducting the program turned the rest of the ceremony over to him.

Prize Winner at International Show

Winner of the biggest prize at the 41st annual International Livestock Exposition in Chicago, the grand champion steer award, Evelyn Asay, 18-year-old Mount Carroll, Ill. farm girl, is congratulated on her achievement by Sydney G. McAllister, president of the International Harvester Company. Evelyn, a freshman at Frances Shimer Junior College at Mount Carroll, plans to use the money from the sale of her champion to help her father, Donald Asay, buy a farm, since the family now lives on a rented farm.

Evelyn picked her prize steer, Sargo, from a carlot of calves a year ago, rose each morning at 6 o'clock to feed the animal. Evelyn's father, proud of her outstanding achievement, said: "Evelyn makes fun out of everything she does, and doesn't think of it as work."

Saved From Blitz

Little Pauline Tropp, now in New York, still clutches her doll as she remembers the horror of the bombing of London, from which she and her doll escaped.

FARM SHOW:
Girl Is Winner

At the forty-first annual International Livestock Exposition and Hay and Grain show in Chicago, the major event for junior gentlemen and farmers was won by Evelyn Asay, of Mt. Carroll, Ill. It was the junior steer competition and Miss Asay carried away honors with her Hereford steer Sargo.

Then Sargo went on to even greater glory. He was picked as the Grand Champion steer of the exposition, the highest honor in cattle-dom. Later he was sold to the Firestone Tire and Rubber company at the fancy price of \$3,300 per pound. This cash and the money won in prizes by the animal will be used as a down payment for a farm for the Asay family, according to Evelyn, who was hailed as the toast of the show.

Iowa State university was the winner of the collegiate judging contest, scoring 4,436 points out of a possible 5,000. Texas A. & M. college placed second with 4,400 and Ohio State university third with 4,394.

SIAM AT WAR:
Another Invasion

In the World war Siam (Thailand) fought on the side of the Allies. Several thousand troops were brought to France, but military experts after estimating their combat possibilities, assigned them to truck driving in the Paris district.

Now Siam has attacked France, troops invading parts of helpless Indo-China. The French garrison there, split in allegiance to the Vichy and De Gaulle governments and beleaguered by the Japanese, are not expected to put up a strong defense.

Objective

There is little cause for war between the two countries and the original attack came only after the usual "border incidents" which easily can be inspired or imagined.

Actually the behind-the-scenes sponsor is believed to be close affection between Japan and the present Siamese government led by Premier Gen. Laming Bipl Songgram, and all eyes are placed on Singapore, near-by British naval base, the chief British strong point in the Far East. Singapore is impregnable from the sea, but believed vulnerable by land. Should Japanese and Siamese forces unite in Indo-China, it would pave the way for joint movement by land against Singapore.

U. S. Reaction

Washington looks upon Singapore as the best restraining influence in the Far East on Japan. News of the Siamese attack brought immediate reaction here. Announcement was made of an additional loan of \$50,000,000 to the Chinese Nationalist government, with an additional \$50,000,000 to be made available later.

DRAFT REJECTIONS:
Not Fit to Fight

About 15 per cent of the first 14,500 men who answered the initial summons under selective service are back home, judged by army physicians as sub-standard physically. All the men previously had been passed by their local draft board physicians, but army doctors were more thorough and used X-rays. Chief cause for rejection was sub standard teeth and eyesight.

The high rejection percentage was a surprise to the army. They had expected a rejection not higher than 2 per cent. Immediate steps were taken to call additional men from each draft board where a man was rejected before being inducted.

MISCELLANY:

A third recent major airline disaster occurred in Chicago when a large United Air Lines passenger plane crashed, killing eight and injuring eight. The plane was descending for a landing and was only five seconds' flying time from the Municipal airport runways when its engines stalled. It fell, crashed into a house, a garage and an electric power line and then slammed to the ground. Preliminary investigation indicated ice on the wings may have caused the crash.
